

## **Fraternal Order of Police (FOP)**

March 1, 2021

Representative Alan Powell's bill ([HB 434](#)) which would require counties and municipalities to continue, under certain circumstances, contracts for health insurance for spouses or dependents of peace officers who are killed or who otherwise die while acting within the scope of their employment was heard briefly in committee last week. Georgia Municipal Association (GMA) testified that this is already enforced by Federal law. There were some technical difficulties with their attorney testifying, and ultimately the committee decided they would hear the bill again this week. Representative Darlene Taylor stated she would like to work with Powell on language in the bill before the next hearing.

Senator Randy Robertson's bill ([SB 115](#)) that would create an instructional course through the Department of Drivers Services and Department of Public Safety to educate drivers on best practices to implement when interacting with law enforcement passed in the Senate with a vote of 36-13. AJC covered the story [here](#).

There was a lengthy debate on the House floor over [HB 286](#), which would prevent cities and counties from reducing their law enforcement budgets by more than 5% in one year or cumulatively across 10 years. The bill passed with a vote of 101-69 with no republicans voting against it. The bill's sponsor, state Representative Houston Gaines, called "keeping our community safe" the most important role of law enforcement. Read more [here](#).

Below is a list of many bills we continue to monitor that could affect FOP along with a brief description. If anyone has questions regarding legislation below or otherwise, please contact Mo Thrash directly.

Last week the legislature completed days 20-24 and convene for day 25 on Monday, March 1st. The latest adjournment resolution was adopted in the House late Friday, which states that 'Crossover Day' will be on March 8th and Sine Die will be on March 31st. 'Crossover Day' is the last day that a bill has to pass one chamber to be able to progress for this session. For this reason, House and Senate members have two dedicated committee work days this week. The bill ([SB 100](#)) that would move Georgia to standard time all year passed this week by a vote of 46-7.
