

## **Fraternal Order of Police (FOP)**

March 12, 2021

Many of the bills that would negatively impact Fraternal Order of Police did not make it past Crossover Day. All bills that are no longer active this session are shaded in gray in the table at the end of this report.

Senator Randy Robertson's bill ([SB 115](#)) that would create an instructional course through the Department of Drivers Services and Department of Public Safety to educate drivers on best practices to implement when interacting with law enforcement has been assigned to the House Motor Vehicles Committee, but has not received a hearing yet.

Another bill ([SB 183](#)) sponsored by Senator Robertson passed the Senate last week that would revise qualification requirements for the office of sheriff, requiring certification as a peace officer at the time of qualifying.

[HB 286](#), which would prevent cities and counties from reducing their law enforcement budgets by more than 5% in one year or cumulatively across 10 years. The bill passed with a vote of 101-69 with no republicans voting against it. The bill's sponsor, state Representative Houston Gaines, called "keeping our community safe" the most important role of law enforcement. Read more [here](#). It has been assigned to the Government Oversight Committee in the Senate.

Representative Alan Powell's bill ([HB 434](#)) which would require counties and municipalities to continue, under certain circumstances, contracts for health insurance for spouses or dependents of peace officers who are killed or who otherwise die while acting within the scope of their employment was heard briefly in committee last week. Georgia Municipal Association (GMA) testified that this is already enforced by Federal law. This bill did not get another hearing and therefore will not be able to move this session.

Below is a list of many bills we continue to monitor that could affect FOP along with a brief description. If anyone has questions regarding legislation below or otherwise, please contact Mo Thrash directly.

With legislative days 28-31 complete, only 10 days remain in the 2021 session. Following Crossover Day, the House and Senate have been busy in committee meetings hearing bills that are still active. Both chambers have been in appropriations meetings this week to come to an agreement on the FY22 budget ([HB 81](#)). Majority Whip Trey Kelley's bill extending the sunset for COVID liability protections passed out of Senate Judiciary late Wednesday afternoon.
