### PRESIDENTS MESSAGE

Turning your complaints into challenges. The next time you think about complaining, think about what you have done to change the situation. I challenge you to be the best you can be by having solutions to your complaints. Find a positive in the negative. Think about the words you have spoken whether they were to influence someone or challenge someone. Therefore, in **2019** our **theme** will be **"Doing more with Lodge 64"**. I challenge you to turn your complaints into working for the good of the order. I'm here to serve all the members for FOP Fulton County Lodge 64 and the community.
