## **FOP Day on the Hill is February 25-27, 2019**

This year's *Day on the Hill* will begin on Monday, 25 February 2019. The National Legislative Office and the National Legislative Committee will host a short briefing on our legislative agenda. The briefing will take place on Monday afternoon at D.C. Lodge #1 and last approximately one hour. The lodge is located at 711 4th St NW, Washington, D.C.

Tuesday and Wednesday, 26-27 February, will be devoted to your meetings with Members from your home States and districts. ***These appointments should be made in advance!!!*** Event participants should make every effort to have their Representative or Senator attend the meeting along with the appropriate staff person.

### **Accommodations for Day on the Hill Participants**

The National Legislative Office is fortunate to have secured a room block at the Hyatt Place at 33 New York Avenue NE, close to the NoMa-Gallaudet Avenue Metro Station. The room rate is \$179 per night. Members can use this link to make their reservations: <https://book.passkey.com/go/FOP2019>. Attendees may also call reservations at 1-855-556-1297 and ask for the Grand Lodge Fraternal Order of Police rate.

## **THE CUT OFF DATE IS 6 FEBRUARY 2019, SO MAKE YOUR RESERVATIONS NOW!!!**

**REMEMBER:** The FOP's *Day on the Hill* event is a key component of our legislative advocacy strategy and our Grassroots Action Network. Having our members here on Capitol Hill, sitting down with their elected Senators and Representatives has a real and lasting impact on the FOP's ability to move its agenda through Congress. We are coming off of a very successful Congress, but we need to continue to build on that success and we can't do that without **YOU!**

Your participation is critical, and while we look forward to seeing old friends and our *Day on the Hill* veterans, this year we also want to see some new faces. We are challenging our members who do attend to bring along a lodge member who hasn't yet participated in this event. By increasing the number of officers that lawmakers hear from, the greater effectiveness we will have as an organization. Talk about *Day on the Hill* in your lodge meetings and help us help you by increasing our participation.

**We need Congress focused on OUR issues and OUR safety. We need you to help make sure our voice is heard and we need more voices!**
