PRESIDENT'S MESSAGE

Making peace with your past, discovering you can only move forward when you have made your peace with your past. Remembering the past is history and the present is now. One of the hardest things for you to do when trying to make peace is to forgive others as well as yourself. Ask yourself if something in your past is affecting your future? If, so then this would be a good time to make peace. It is hard to move forward if you keep looking back; forgiveness is the key to making peace.

Legal Defense Plan Update

The frequency of allegations against peace officers, and the ensuing rise in legal costs, calls for the most comprehensive legal plan coverage. The Fraternal Order of Police (FOP) Legal Defense Plan, Inc., provides payment of legal defense costs for coverage-approved, duty-related administrative disciplinary action by your law enforcement employer along with civil and criminal lawsuits. The FOP plan, currently serving over 81,000 members, offers you and your fellow lodge members the following affordable options:

- Coverage A — Administrative (includes Administrative Off-Duty)
- Coverage B — Civil
- Coverage C — Criminal

January 1, 2019, Full-Coverage Rate Change

Effective on the first anniversary date on or after January 1, 2019, a price increase on full coverage will be implemented. The new annual pricing will go into effect on your lodge or individual annual renewal date. (Please note that the Participant Fee for Civil and Criminal Only coverage has not been changed.)

Pricing

Group/Lodge

- Full Coverage: Administrative, Civil, Criminal — \$300 per year
- Civil and Criminal Only — \$64 per year (unchanged)

Individual Participants

- Full Coverage: Administrative, Civil, Criminal — \$310 per year
- Civil and Criminal Only: B and C — \$68 per year (unchanged)

Claim Filing

All claims must be submitted to Sedgwick Claims Management Services for review using the claim reporting form found on the www.foplegal.com website. After review and

coverage determination, Sedgwick will follow up with you and your chosen attorney.

Free and Convenient Online Payment Options

The Fraternal Order of Police Legal Defense Plan offers you no-fee, online payment options.

To pay, simply go to www.foplegal.com and click the PAY MY BILL tab in the top menu. Complete the form and it will redirect you to AuthorizeNet's secure payment site. Once the payment has been successfully submitted, you will receive a confirmation email.

If you are a lodge that has group coverage and you want your payment automatically withdrawn from your account through ACH transfer, please contact Maureen Jagos to obtain an ACH form: Maureen.jagos@hylant.com. You will still receive a hard copy of your invoice; however, you will not need to remit payment.

Plan Management

The client portal was developed to

assist groups or lodges in accessing and maintaining their accounts. The portal allows you to administer your legal plan roster by adding and deleting members, along with the ability to view current billing statements and due dates. When changes are made to your account, they are submitted to Hylant for final approval and entered into the database. This provides a real-time snapshot of your current roster, minimizing potential mistakes that could result in delay of verification of coverage or denied claims.

If your lodge has a group membership with the FOP Legal Defense Plan and is interested in accessing the Client Web Portal, please submit a Client Portal Registration Form. (Please note that member reinstatements cannot be submitted via the Client Portal. You will need to submit the request in writing to Hylant.)

For questions, marketing material or more information, please contact Hylant at (800) 341-6038 or visit the plan website at www.foplegal.com. You can also follow FOPLDP on Facebook. **FOP**
