PRESIDENT'S MESSAGE

Be unbreakable, it's okay to bend but don't break. Be flexible but firm. There are people who only want to bring confusion to your life and try to break you with their words. We know that words have power, but if you don't give it energy it is just that; *a word*. Focus on what is relevant; your peace of mind, your physical health and your spiritual being. Don't allow others to break you with negativity, Be Unbreakable. You are better than the words and negativity. When life throws you a curve; bend but don't break. You can always straighten up from a bend, but it is harder to put things back together from a break. Be unbreakable. It is a choice.

 Georgia Fraternal Order of Police

The Fraternal Order of Police is the world's largest organization of sworn law enforcement officers, with more than 330,000 members in more than 2,200 lodges. We are the voice of those who dedicate their lives to protecting and serving our communities. We are committed to improving the working conditions of law enforcement officers and the safety of those we serve through education, legislation, information, community involvement, and employee benefits. No one knows the dangers and the difficulties faced by today's police officers better than another officer, and no one knows police officers better than the FOP.

- **Legislative:** The Fraternal Order of Police is the largest organization of law enforcement professionals in the United States. The FOP maintains an office in Washington, D.C. on Capitol Hill, where a full-time professional staff actively lobbies Congress and the Administration on the issues most important to rank-and-file law enforcement officers. The National Legislative Program is the most active and comprehensive of any law enforcement organization in Washington.

- This program is designed specifically to cover law enforcement exposures faced by members of the FOP Legal Defense Plan by paying legal defense costs on behalf of participating members for the following actions and proceedings:
 - Coverage A – Administrative (includes Administrative Off-Duty)
 - Coverage B – Civil
 - Coverage C – Criminal
- Legal defense protection is a necessity for law enforcement professionals. As the frequency and cost of allegations rise, the FOP Legal Defense Plan offers members a very affordable plan for as little as \$68 a year for civil and criminal coverage. Administrative with civil and criminal is only \$310 per year.
- The plan is managed by a board of trustees comprised of law enforcement officers and FOP members.
