Faith

PRESIDENT'S MESSAGE

Faith is something we all need. We have to have confidence in someone or something. We are living in trying times as it relates to being judged. It doesn't matter if we are judged by the color of our skin, the actions we take or our culture. Faith is something we all need! Without faith someone else will determine our fate. Have faith and know that we can change our outcome by changing our culture in what we do and how we do it.
