## President's Message

### Stop rehearsing the failure of your past

Reminiscing about the past and how things use to be ("I remember when...". We used to do things like this or that...) will not get you to where you need to be. That was then this is now, let's move on. It comes a time when you need to let it go! Stop waiting on an apology that is not there. When are you going to get out of that broken place called the PAST? When will you realize you are the answer to change, what is happening now? Stop rehearsing the failures of your past and be thankful for your now. The time is now!

Happy Thanksgiving holiday to all!
