**KD SKIS USA & S-LINES
2026 EASTERN
REGION WATERSKI
CHAMPIONSHIP
PRESENTED BY**

LAKE HOLLY SKI CLUB

EST. 1978

Welcome to Lake Holly Ski Club! We hope you enjoy your time at the 2026 KD Skis USA & S-Lines Eastern Region Waterski Championship, presented by PJ's Coffee.

Lake Holly Ski Club is a privately owned ski club located in scenic Caroline County, halfway between Fredericksburg and Richmond, Virginia. The lake was purchased in 1978 by Rick and Jerry Stansberry with the sole purpose of waterskiing. Shortly after that, a group of enthusiastic skiers came together to establish the Lake Holly Ski Club and develop what has become a true skier's paradise.

The first waterski tournament was held in September 1979. Since then, the club has proudly hosted more than 100 tournaments, including eight Eastern Regional Championships and fifteen Virginia State Championships.

Set on a beautiful 20-acre freshwater lake surrounded by heavily wooded forest, Lake Holly offers excellent skiing conditions. Whether you're competing, officiating, volunteering, or cheering from the shoreline, we're grateful you're here. We hope you enjoy your time at Lake Holly, and we wish all of our competitors a safe, successful, and unforgettable weekend.

- Lake Holly Ski Club Family

WHAT IS...

THREE-EVENT WATERSKIING?

Three-event waterskiing is the ultimate competitive discipline in the sport, combining slalom, trick, and jump into a single, comprehensive tournament format. Skiers compete in one, two, or three distinct areas to showcase their versatility, earning points in each event based on their performance relative to established benchmarks or placement. If someone competes in all three events, the athlete with the highest total score across all three disciplines is crowned the overall champion, making it the water sports equivalent of a track-and-field decathlon.

SLALOM?

In the slalom event, a single-skier navigates a multi-buoy course while being towed by a boat moving at a constant speed. The skier must weave outside of six staggered turn buoys in a zigzag pattern, plus enter and exit through designated start and gate buoys, without falling or missing a marker. To increase the difficulty after a successful pass, either the boat speed increases or the towrope is shortened. The winner of the slalom competition is the athlete who rounds the most buoys at the shortest line length, making the event a thrilling test of strength, precision, and agility.

WHAT IS...

TRICK?

In the trick event, skiers use a single, short, finless ski (or sometimes two) to perform a choreographed routine of flips, spins, and rope-tricks within two 20-second passes. Because the ski has no fin, it can easily slide sideways, allowing the skier to execute complex surface rotations, wake jumps, and "toe-holds," where the skier attaches the towrope directly to their foot to perform hands-free maneuvers. Each trick carries a specific point value based on its difficulty, and a panel of judges scores the run based on the clean completion of the declared routine, making the event a captivating blend of gymnastics, figure skating, and water sports.

JUMP?

The jump event is the pure distance event of tournament waterskiing, where the sole objective is to launch off a ramp and fly as far as possible through the air. Skiers wear long, wide, heavy-duty jump skis and protective gear, cutting aggressively back and forth across the boat's wake in a "three-cut" pattern to generate massive speed—often exceeding 60 mph—before striking a fiberglass-surfaced ramp. The boat passes to the side of the ramp while the skier hits the incline, launches into the air, and must cleanly ride away upon landing for the distance to count. This event requires incredible timing, explosive leg strength, and immense nerve.

DETAILS

Awards

We are proud to recognize the outstanding performances at the 2026 KD SKIS USA & S-Lines Eastern Region Waterski Championships. Medals will be awarded to the top five finishers in all junior divisions (B1–B5, G1–G5) and to the top three finishers in all adult divisions. Slalom Awards will be presented at Moon Mountain. Jump and Trick will be presented at pavilion. Official results will be posted at the pavilion.

Towboat Draw

We'll make our best effort to pull each division/event with a towboat from the same manufacturer pulling that division at Nationals. However, this is not a guarantee, we reserve the right to substitute a different boat if necessary.

Pets

Pets are not permitted beyond the upper parking lot. We appreciate your cooperation in following this policy and helping us provide a safe, welcoming environment for everyone.

On-Site Check-In Information

All skiers should check the posted running order as soon as they arrive to verify that their information is correct and to stay informed of any updates. Running orders will be posted on-site and at waterskiresults.com.

Food

Breakfast, lunch and snacks will be available for purchase on-site at the pavilion throughout the tournament.
