

Hello All,

Here's what happened at the NKY Association of Beekeeper Meeting on June 7, 2011

WOW, 35 in attendance!

Susan brought specimens of small hive beetles and Varroa Mites for everyone to view. There was a discussion on the treatment of these pests, chemical vs organic. It was a good discussion and everyone learned what to look for and a remedy.

Upcoming Events:

July 8th : presentation of "Vanishing of the Bees" sponsored by SWOBA (South Western Ohio Beekeepers Association)

Location: Brazee Street Studios

4426 Brazee Street

Cincinnati, OH

<http://www.brazeestreetstudios.com>

<http://www.vanishingbees.com> this is a link to the trailer

<http://www.kentuckytourism.com/events/details/2011-backroads-farm-tour/15251/>

September 26-30: Grow it, Eat it, Wear it

Time: 9a-1p

Location: Fairgrounds

More information will be forthcoming.

A suggestion was made that the club plan a "Field Trip" to Kelley Bee Co. in Clarkson, KY. We'll discuss this topic at the **next meeting which will be August 2nd** at the Boone County Extension Office.

'Til then, Let the honey flow.....

Anna Gurley, keeper of addresses and bees too
