

19 January 2023 Circular 2/2023

Dear Parents

We started 2023 with a bang and the learners are back into their school routine. We are very proud to announce that we almost have 200 learners. I would like to thank each parent who referred other parents to us, we are truly blessed.

UNIFORM 2023

Our supplier, SilverCross Schoolwear, ran out of stock due to the unexpected high demand. They however confirmed that new stock will be available from XXX

The grade RR and grade R learners wear the red golfer in summer with either the red active short or denim jeans, with any dark coloured tekkies and school socks.

Our grade 1 to 5 learners wear formal school uniform. Girls wear a skirt and a red blouse in summer with black school shoes and our school socks, and the boys, grey shorts with our red shirt, also with black school shoes and our school socks.

On Fridays, all learners can wear our red golfer with jeans and tekkies, or with the red active short and tekkies, but it is not compulsory.

REREGISTRATION/BOOK/STATIONERY AND CODING AND ROBOTICS FEE

Please remember to settle the outstanding fees for the above if you have not done so already. We will start the coding and robotics programme on 1 February and the cut-off date for payment is 31 January.

MONTHLY INSTALLMENTS FOR 2023

As explained in Circular 1/2023, our annual fees are payable over **12 equal installments. Payments are therefore due in advance, from 1 January to 1 December.** If you did not make a payment toward your first installment, urgently settle the arrears if you have not yet done so already. Also, if you settle the fees in full before 31 January, you qualify for R1 000 discount.

We sent account statements home today as well.

PLEASE TAKE NOTE: Your new account reference number for payments reflects underneath the description "ACCOUNT STATEMENT ON "DATE". This number must please be used when making any payments. Example:

ACCOUNT STATEMENT ON 4 JANUARY 2023

Account reference: 1973 Crause

Learner information:

ADDITIONAL ITEMS

We have not yet received all the additional items. Please send to school by 31 January as some of the items are needed in class. ALL the items must please be marked clearly:

CODING AND ROBOTICS 2023

We will start with our coding and robotics programme on 1 February 2023. Please settle the R720 fee by month end January 2023, as we need to pay the facilitators in full by 31 January 2023 before commencing with the programme.

We look forward to meeting all the new learners and parents and welcome our existing learners and parents back to school when we reopen on 11 January 2023.

Until then, enjoy the last few days, rest well and keep safe.

Kind regards

Ronel Crause

Director: Haakdoorn Academy
