

Haakdoorn Academy

Dear Parent / Guardian

INTRODUCTION

Thank you for your enquiry. Haakdoorn Academy is an independent school situated in the Haakdoornboom area, close to Soshanguve. Our language of instruction is English, and Afrikaans is our first additional language. Since our teacher/learner ratio is low, learners receive a lot of individual attention and can reach their full potential academically. Our curriculum is CAPS aligned and we use a range of learning and support material to help learners grasp concepts and complex subject matter. We follow the same calendar as public schools, and we are closed during all school and public holidays. We open at 6:30 in the mornings and learners attend class from 7:20 until 14:00 from Mondays to Thursdays and 13:00 on Fridays. Below is a summary of our fees for 2024.
