Dear Parents

As Term 3 draws to a close, I would like to extend my sincere thanks for your continued support throughout 2025. Time is moving quickly, and believe it or not, there are only 14 Thursdays left until 2026!

ASSESSMENTS AND SCHOOL HOLIDAY

Please note that all assessments and examinations will conclude on **Friday, 3 October 2025**, which will also be the **final school day of the term**. Learners are **required to attend school until this date**, as assessments and examinations will continue throughout the week. School will close **at 10:00 on Friday, 3 October**, following the completion of the final assessment.

CELEBRATING THE END OF A SUCCESSFUL TERM

Our final **Hungry Haakies Food Day** of the term will take place on **Thursday, 2 October 2025**. To celebrate the end of the term, we're offering a special **combo deal for R50**, which includes a combo meal and an ice cream. Learners can wear **home clothes** on the day as well. Please support this **final fundraising initiative** for the term — your participation is greatly appreciated!

REPORT CARDS AND PARENT-TEACHER MEETING TERM 4

Report cards will be available for collection at the school during the **parent-teacher meeting** on **21 October 2025**, between **15:30 and 18:30**. We encourage all parents and guardians to attend, as this is an important opportunity to discuss their academic progress with their teachers.

LATE-ARRIVALS

We are increasingly concerned about the number of learners arriving late to school each day. Please be reminded that school begins promptly at **7:20 AM** for all grades, and the first academic period starts at **7:30 AM**.

Frequent lateness not only disrupts your child's learning but also impacts the entire class. Our educators are unable to repeat lessons for latecomers, and valuable teaching time is lost. To ensure the safety of all learners and staff, the school gate will be locked at **7:20 AM**. Unfortunately, we are unable to keep the gate open to accommodate late arrivals.

We kindly request your full cooperation in ensuring that your child arrives at school on time each morning. Your support is essential in maintaining a safe, focused, and productive learning environment.

ARREAR ACCOUNTS

We are currently experiencing an unusually high number of overdue school fee accounts. As a school, we continue to honour our commitment by providing quality education and support to your child. In return, we kindly remind you of your responsibility to ensure the timely payment of school fees. If your account is in arrears, we urge you to settle it immediately to avoid any disruption to our services. We ask that you please prioritise this obligation so we can continue working together to support your child's education.

RE-REGISTRATION FOR 2026

Re-registration forms for 2026 will be distributed on **15 October 2025**. This process helps us plan and manage space for new learners currently on our waiting list.

If your child will **not** be returning next year, please indicate this clearly on the form. This will allow us to offer that space to another learner. We kindly ask that all completed forms be returned by 25 October 2025.

FEE STRUCTURE 2026

Our fee structure for 2026 has now been finalised. We are pleased to inform you that the **average fee increase is 6,94%**, which is currently below the current industry standard of 8%.

The re-registration fee, as well as the coding and robotics fee, will remain unchanged for 2026, with no increases applied. Please note that the costs for books and stationery are subject to external supplier pricing. We have reviewed the contents of the stationery boxes, making adjustments where necessary — adding items for certain grades and removing others. As a result, stationery prices have decreased for some grades and increased for others.

For 2026:

- The average increase in book prices is 7.39%.
- The average increase in stationery prices is a modest 1.98%.

The detailed breakdown of the 2026 fees are as follows:
