

Doyle Scott
and the
lovesick rodeo

PRESS KIT 2025

Doyle Scott and the Lovesick Rodeo ride the line between tradition and originality, blending the timeless sounds of swing, honky-tonk, and rockabilly with songs born from the South Central US. Crafting original tunes that feel instantly familiar yet unmistakably fresh, their music echos the dancehalls and dirt roads of Oklahoma, full of heartache, rhythm, and a deep love for American roots music.
