

Doyle Scott and the lovesick rodeo

PRESS KIT 2025

Doyle Scott and The Lovesick Rodeo is a Kansas City based western swing band. Doyle, Lina, and Luther met in the early 1990s in the Smoky Hills of North Central Kansas. Growing up along Highway 81, we were exposed to the country, blues, conjunto, polka, and western swing music moving along this corridor from San Antonio, Fort Worth, Oklahoma City, Wichita, right up through Kansas and the Wheat State Circuit. Consequently, our original music reflects these influences.
