STORM SHIELD

WHY FLOOD PROTECTION IS ESSENTIAL IN SOUTH FLORIDA

- ✓ Florida ranks #1 in the U.S. for flood risk
- ✓ Coastal cities face recurring storm surges, hurricanes & flash floods
- ✓ Billions in property damage each year
- ✓ Insurance doesn't cover everything
- ✓ Your home or business deserves protection

STORM SHIELD FLOOD BARRIER SYSTEMS

- Quick installation & removal—easy protection on demand
- Custom fit for any entry point
- Durable & corrosion-resistant materials
- Reusable – year after year
- Prevents costly repairs, downtime, and insurance battles

LOCAL PROTECTION YOU CAN COUNT ON

 **FLORIDA'S TRUSTED FLOOD PROTECTION**

ENGINEERED FOR PEACE OF MIND

Every Entrance, Protected.

- ✓ Residential gates & doors
- ✓ Underground parking entrances
- ✓ Warehouse or industrial buildings
- ✓ Community and HOA entryways

**Takes up minimal space when stored.
Maximum coverage when deployed.**
