

PROTECT WHAT MATTERS:

THE ULTIMATE FLOOD
BARRIER SOLUTION

Storm Shield

01

Florida ranks #1 in the U.S. for flood risk

Why Flood Protection is Critical in Florida?

 *Florida is a Flood Zone. Don't Let Water Catch You Off Guard!*

02

Billions in property damage each year and Insurance Companies does not cover everything

03

Your home or business deserves protection

 Act before the next storm hits – not after.
