Oakland Gardens, NY 11364

Re: Add-A-Sidewalk Capital Funding

Dear Council Member Lee:

I agree with the proposal outlined in the <https://addasidewalk.org/> website.

Please provide *Capital Funding* for the proposed Sidewalk Project around Douglaston Golf Course that extends the length of Commonwealth Boulevard leading to the Frank Padavan Campus.

It is much safer for all pedestrians to walk on the sidewalk than on the street.

Thank you.

Sincerely,

Constituent Name
