

## Preston County Youth Center (PCYC) Micro School Registration Form

PCYC is starting a Micro School at its Preston County location starting in August of 2024. The school will be offering grades Pre-K through 5<sup>th</sup> grade. Tuition for each student will be provided through Hope Scholarships, which parents can apply for during the period March 1 through June 15, 2024. Additional information about the Micro School can be found in the PCYC Brochure, which can be requested from PCYC (see contact information below) or can be found on the PCYC Facebook page. **Please note that completing this form does not commit you to enrolling your child(ren), we are simply trying to gauge the overall interest in a Micro School.**

For parents interested in possibly enrolling their children at the PCYC Micro School, please complete the information requested below:

## FUNDING

The primary funding source for the Micro School will be through West Virginia Hope Scholarships.

A law was passed in 2023 making HOPE Scholarships eligible for tuition use at Micro Schools, so that enrolled students at PCYC can fund their tuition entirely through a Hope Scholarship.

The Hope Scholarship empowers families to make school choices for their children that meet their educational needs and allows students to receive financial assistance that can

be used for tuition, homeschool curriculum, and other qualifying expenses.

Each parent will complete an application for the scholarship during the period of March 1 through June 15 that will provide full funding for their student for the school year beginning in the late summer/fall of the same calendar year.

Upon request, PCYC will provide assistance to parents for completing the Hope Scholarship application.

Tuition based enrollment will be accepted for those ineligible for a Hope Scholarship. Tuition rates can be requested by contacting PCYC (see contact information at the end of this brochure).

PCYC will regularly seek grants from Foundations and other charitable organizations to enhance the overall educational program.

## OTHER CONSIDERATIONS

- In general, PCYC will follow the

Preston County School calendar except for snow days, starting delays, and early dismissals.

- Transportation. Initially it will be parent drop off and parent pick up. Transportation may be provided in the future.

- Free lunch will be provided for Hope Scholarship students.
- After school programs will be available for a fee (fee amounts can be obtained by contacting PCYC – see contact information at the end of the brochure).
- At this time the PCYC Micro School will not be offering special education options for parents and students.
