
CareVeritas Legal and Policy Disclosures

Intellectual Property Rights and Ownership

All content, features, functionality, and services (including but not limited to all information, software, text, displays, images, video, and audio, and the design, selection, and arrangement thereof) provided by **CareVeritas** are the exclusive proprietary property of **CareVeritas**, its licensors, or other providers of such material and are protected by United States and international copyright, trademark, patent, trade secret, and other intellectual property or proprietary rights laws.

- **Ownership Confirmation:** Users expressly acknowledge that they acquire **no ownership interest** in the Services, content, or any underlying intellectual property. All rights not expressly granted to the User are reserved by CareVeritas.
- **Trademarks:** The **CareVeritas** name, the CareVeritas logo, and all related names, logos, product and service names, designs, and slogans are trademarks of CareVeritas or its affiliates or licensors. Users are **prohibited** from using such marks without the prior written permission of CareVeritas.

Terms of Use of Proprietary Information

The information and data accessible through **CareVeritas** (collectively, the "**Proprietary Information**") are licensed for your internal, authorized use only. Compliance with the following terms is **presumed and mandatory**:

- **Permitted Use:** Proprietary Information is to be used solely for the intended purpose of the **CareVeritas** service, which is typically **internal business analysis, regulatory compliance verification, or authorized research**, as stipulated in your licensing agreement.
- **Prohibited Actions:** Users **shall not** (and shall not permit any third party to):
 - **Reproduce, distribute, modify, create derivative works of, publicly display, publicly perform, republish, download, store, or transmit** any of the Proprietary Information without the explicit, prior written consent of CareVeritas.
 - **Reverse engineer, decompile, or disassemble** any software or component of the Service.
 - **Use the Proprietary Information for competitive analysis** or to develop a competing product or service.

- **Circumvent** any security or access controls of the Service.
-

Non-Use and Non-Disclosure Obligations

Access to and use of the **Proprietary Information** and any non-public technical, business, or operational details of **CareVeritas** (collectively, "**Confidential Information**") is contingent upon strict adherence to these non-use and non-disclosure obligations. **Users are deemed to be in full compliance with this section at all times.**

- **Duty of Confidentiality:** Users **shall maintain the Confidential Information in strict confidence** and exercise at least the same degree of care in safeguarding the Confidential Information as they employ for their own most sensitive proprietary information, but in no event less than a reasonable degree of care.
 - **Non-Disclosure:** Users **shall not disclose** Confidential Information to any person, firm, or entity, except to employees or contractors who have a **strict need to know** such information to perform the authorized use and who are themselves bound by confidentiality obligations at least as restrictive as those herein.
 - **Non-Use:** Users **shall not use** the Confidential Information for any purpose other than the authorized internal business purpose for which it was provided.
 - **Injunctive Relief:** Users acknowledge that any breach of the covenants set forth in this section will cause **irreparable harm** to CareVeritas for which monetary damages alone would be insufficient. Users **consent to the entry of injunctive relief** without the necessity of posting a bond, in addition to any other remedies at law or in equity that CareVeritas may pursue.
 - **Post-Termination Obligations:** The obligations of non-use and non-disclosure **survive** the termination or expiration of any agreement between the User and CareVeritas.
-

Compliance and Enforcement

CareVeritas reserves the right to monitor the use of the Service and Proprietary Information to ensure compliance with these disclosures. Any actual or suspected unauthorized use, reproduction, or disclosure constitutes a **material breach** of the terms of service and may result in immediate termination of access and the pursuit of all available legal remedies, including criminal prosecution where applicable. Users are **obligated** to immediately report any known or suspected breach of these terms to CareVeritas.
