

# More Welly December 2024

**24 Mead Row, London, SE1**

*Welcome to our final edition of the More Welly for 2024.*

All too soon, the year is drawing close to an end. It's been an eventful one with a new government, cost of living crisis, strikes and demonstrations. We are hoping for a better year in 2025.

Over the past year, we've tried to keep residents informed with our quarterly newsletter, More Welly. If you have any ideas on how we can improve newsletter feel free to contact the estate office or register to join communication sub-committee.

## **GARDENING**

Next year the estate gardener will be continuing with the strategy of Improving biodiversity across the estate.

On the lawns, this will include letting areas of the grass grow longer and allowing the flowers to grow, with new plants added to the borders. The aim is to increase insects and therefore, birds on the estate.
