MANAGEMENT COMMITTEE – 2018/9

Dear all,

Our current constitution states we need between 12 and 15 Management Committee members. The current committee has 13 members, of which two will reach the end of their three year terms this autumn.

I am therefore now writing to seek nominations to join the committee and enclose a nomination form. **We are seeking 4 new members to start in September:**

3 members for 3 years

1 member for 1 year (following a resignation after 2 years)

The deadline for receipt of nominations by the Estate Office is **1700 on Friday 20 July 2018**.

We are looking for a diverse Management Committee, who can bring different skills and knowledge. We are particularly keen to increase the representation of tenants. Please consider what you might be able to bring. Given the challenges of the forthcoming major works, any expertise in project management, estates and facilities would be especially welcome. A full complement of 15 would be a huge asset.

The Committee typically meets for one evening a month.

Only one member of the Co-operative from each household shall be eligible to serve as a voting member of the Committee at any one time.

If you would be interested in speaking to me or to one of the other Management Committee members about the work of the Committee and/or the Officer roles, please contact the Estate Office in the first instance:
