A WORD FROM THE GAFFA

ANDY CARTWRIGHT

I'm absolutely delighted to be at Brodsworth. The ambition of the club as a whole is clear to see, but the commitment shown towards Ladies football has been outstanding. When I left Frickley, my intention was to take a break from the game, but after speaking with the committee here it was obvious that this is a club going places - and one I wanted to be part of.

Thursday night's training session summed up everything that excites me about this group. We had 20 players in attendance, the intensity was excellent, and the energy within the session was spot on. When numbers are strong like that, players push each other, standards rise, and it makes my job a lot easier.

We head into this weekend's fixture against Barnsley knowing the challenge ahead. Playing the league leaders in your first game is never easy, but I've been really impressed with the attitude and quality shown in training. We also have two debutants in the squad who have experience higher up the pyramid, so we go into the game confident, focused, and concentrating on our own performance.

It's a free hit in many ways and certainly won't define our season, but if we approach the game with the same intensity and discipline we've shown on the training ground, we'll give ourselves a real chance.

I'm hugely excited about driving this club and this group forward, and I'm really looking forward to meeting and connecting with the fans on Sunday. Hopefully, we can do that with three points in the bank.

Up the Broddy!

Andy

BRODSWORTH MAIN FC

CLUB HISTORY

Founded in 1910 as Brodsworth Main FC by the Brodsworth Main Colliery Sports and Pastimes Club, the club has a proud and resilient history. Known for many years as Brodsworth Miners Welfare and later Brodsworth Welfare AFC, the club has competed across regional leagues including the Yorkshire League, Northern Counties East League and Doncaster Senior League, enjoying promotions, titles and memorable campaigns along the way.

After periods of withdrawal and rebirth, the club was successfully revived in 2022, rebuilding from grassroots level and establishing a clear player pathway through a junior merger in 2023. The 2024/25 season marked the return of a ladies team, and promotion followed in 2025/26.

In a fitting nod to its heritage, a merger with Hatfield Town FC has seen the club return to its original name, Brodsworth Main FC, uniting familiar faces and shared history – and taking another step towards the ambition of competing once again at NCEL Premier Division level.

CLUB ROUND UP

ADULT SECTION

Our adult section has been through a lot of change this season, but these past couple of months, things have started to settle down, and we are now moving forward at a pace.

We now have a Men's 1st Team competing at the top end of the table in the Central Midlands Alliance League, Our Ladies moved up the league for the third consecutive season, and now have a new manager, and the Men's 2nd Team have consolidated again under new management.

The future looks bright for Brodsworth.

JUNIOR SECTION

Our Junior section is constantly growing, and we are proud of that. It means we are providing football for more and more children in the local community.

Our Soccer School see's new faces join every week, and we are looking to expand that.

On the field, the 16's (both boys and girls) have produced 4 debutants apiece in adult football at the club, and our Juniors have won the goal of the month competition month in and month out.

BARNSELY FC LADIES

CLUB HISTORY

Barnsley won the 2022-23 North East Regional Division One South, and were promoted to the North East Regional Premier Division. In May 2023, Barnsley further integrated the club, including a name change to Barnsley Football Club Women. The club achieved successive promotions after winning the 2023-24 North East Regional Premier Division and was promoted to the FA National League.

On 4th June 2025, it was announced that the team would be withdrawing from the FA Women's National League ahead of the 25/26 season, as the pitch facilities did not meet FA criteria for the fourth tier of the Women's game, and it was not financially or logistically possible to move to another venue.

This organisation also runs numerous junior teams (from U8 to U18) that compete in various divisions of the Sheffield & Hallamshire Women & Girls League (SHWGL). Our opponents today, are an age-group or development side within this structure.

A CATCH UP WITH...

CLARE 'JOHNO' JOHNSON

Clare is a real driving force behind the resurgence of ladies football at Brodsworth, A leader both on and off the field and an ever-present since the club reformed its ladies' section three seasons ago in the WBL.

We caught up with Clare to ask the usual club questions, and here are her answers:

1. How would you describe yourself as a player in three words? **Committed, Strong, Positive**
2. What's your best moment in a Broddy shirt so far? **Playing as 11 aside for the 1st time and scoring a screamer in our opening match**
3. One teammate you'd want next to you in a battle? **That would have to be our captain, Jill.**
4. One teammate you absolutely wouldn't let take a last-minute penalty? **Me after my last go 😊**
5. If you could steal one attribute from a teammate, what would it be and from who? **Speed from Kaydn, she's like lightning!!!**
6. What are your goals for this season? **To progress as a team, then push for promotion next season.**
7. What advice would you give to the younger players coming through Broddy's junior teams? **Trust the process and work hard**
8. How important is the "One Club One Community" side of things to you? **It's really important because then everyone is on the same page.**
9. When we're sat here in three years' time, what do you hope Broddy looks like? **Bigger and better than ever with a full stand of support every week.**
10. Biggest joker in the squad? **Think this would be me 😊**

COMMITTEE CORNER

CHRIS TOYNE - VICE CHAIRMAN

While many were enjoying a well-earned break over the festive period, the work at the club never stopped. Progress doesn't pause here. The commitment, pride and tireless effort behind the scenes are what make this club special—and they set the standard for everyone who wears our badge, especially our young players.

That dedication is paying off. The clubhouse continues to improve, the pitch gets better week by week, and the entire ground has been transformed. Compared to this time last year, the change is nothing short of remarkable.

Off the pitch, the clubhouse is thriving—improved facilities, a stronger menu, and growing takings reflect a club moving in the right direction. On the pitch, our Men's First Team are competing at the sharp end of the table, while women's and girls' football has never been stronger. With Ethan leading our women's and girls' strategy and a new first-team manager in place, the future is bright. The rebuild of our Men's Second Team continues with real momentum, and junior football across the club—including our brilliant soccer school—is flourishing.

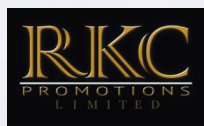

On behalf of the entire committee, we couldn't be prouder of how far we've come. Our goal is clear: to build the best community football club in the country. Together, we are making it happen—one step, one session, one match at a time.

Let's keep pushing forward.
UP THE BRODDY. ❤️⚽
