Church of the Covenant takes a Field Trip to

Worship at Arlington Presbyterian Church

On Sunday, November 22nd Covenant will worship with Arlington Presbyterian Church (APC). We'll worship in the space that APC leases from Gilliam Place, who bought Arlington Presbyterian's former property.

APC is located on the ground floor of the Gilliam Place Apartments, at **918 S. Lincoln Street, Suite 1** in the Alcova Heights neighborhood of South Arlington.

Garage Parking: Gilliam Place has an underground parking garage. The driveway for the garage is located halfway down Lincoln Street. Retail and open parking is located on the entry level when you turn into the garage. Walk up the ramp and you will see signs for APC.

Street Parking: Street parking is available along Lincoln Street.

Parking Lot: Parking spots for Sunday morning in the Bank of America parking lot across the street from APC.

You're encouraged to carpool with someone who's comfortable navigating a new area.

Call Caitlin at 937-570-8218 if you have trouble finding APC on Sunday morning.
