Teledyne Gas and Flame Detection

There are times when speed is critical, and our customers need a gas detector as soon as possible. To meet these types of demands, we have implemented the Teledyne Rapid Response Products list. We will do our best to maintain stock on the following Teledyne Gas Detectors. This list will go through a regular review and adjusted to meet our customer demands.

Part No	Product Description
GD10P-P00-17DG-0BH-00	Simtronics GD10P IR LEL Detector w Methane Calibration (CSA)
GD10P-P00-17DG-0XH-00	Simtronics GD10P IR LEL Detector w Methane Calibration (ATEX)
ITRANS2-1A410	Oldham iTrans-2 On-board O2 Sensor w relay
ITRANS2-2A410	Oldham iTrans-2 Remote O2 Sensor w relay
ITRANS2-1B210	Oldham iTrans-2 On-board LEL Sensor - Methane Cal w relay
ITRANS2-2B210	Oldham iTrans-2 Remote LEL Sensor - Methane Cal w relay
ITRANS2-1C210	Oldham iTrans-2 On-board LEL Sensor - Pentane Cal w relay
ITRANS2-2C210	Oldham iTrans-2 Remote LEL Sensor - Pentane Cal w relay
ITRANS2-11010	Oldham iTrans-2 On-board CO Sensor w relay
ITRANS2-13110	Oldham iTrans-2 On-board NH3 Sensor w relay
ITRANS2-14110	Oldham iTrans-2 On-board H2S Sensor w relay
iTrans-2 Sensors	All Catalytic, IR-CO2, and Electrochemical versions
iTrans-2 Spares	Most common accessories, circuit boards and mechanical spare parts
AirAware Sensors	O2 & CO Sensors
MX32-22210101	Oldham MX-32 Controller, 2 channel, w horn & red strobe
WMX43M-42A010	Oldham MX-43 Controller, 4 channel, w horn & red strobe
WMX43M-82A010	Oldham MX-43 Controller, 8 channel, w horn & red strobe
