ORIGINAL JJ's Knife Kit™

These kits were first put together by a woodworking hobbyist as a Christmas gift for his son J.J. Includes parts and instructions needed to make a wooden pocket knife. All you need to supply is sandpaper. The pieces are hand cut and hand packaged in the USA. Each kit features six pieces cut from American hardwood; metal pins; instructions; and metal storage tin. Blade(s) are unsharpened. Designed to be a craft project that adults and children can do together. Contains small parts, not recommended for children under 7.

Adult supervision recommended. Great gift idea!

Each kit comes packaged in metal storage tin
