Meat Maximizer.

Hand Held Meat Tenderizer. Contains stainless knife blades. Measures 6" x 2" x 4.5". Black ABS construction with blue trim. Features removable blade cartridge for quick and complete cleaning. FDA compliant, NSF certified. Top shelf dishwasher safe. How it works - razor sharp knife blades cut through the connective tissues that make meat tough. Tiny "heat channels" are created without changing the shape or appearance of the meat resulting in faster penetration of marinades, even cooking throughout the meat and significantly reduced cooking times - up to 40%. Hang packaged.

KAI7075 Four Piece Steak Set. 10.75" (27.31cm) overall. 5.25" (13.34cm)

Pure Komachi 2 Series.

Vibrant monochromatic colors make the Pure Komachi 2 Series a striking addition to your kitchen; but these deceptively playful colors serve a no-nonsense purpose. The high-carbon SUS420J2 stainless steel blade provides a razor-sharp edge, while the color-coding makes it easy to choose the right knife for the job. The variety of colors help guard against cross-contamination of your food, making it easy to remember which blade you used on your meat and which knife was for vegetables. The bold blade color is achieved by bonding liquid coating to stainless steel blades for friction reducing. This food-safe coating resists corrosion, makes cleaning simple and helps the knife glide through food with ease.

The Pure Komachi 2 color-matched lonomer-resin handle are lightweight and contoured for a comfortable, remarkably nimble performance. Incredibly sharp and distinctly attention-getting, and Pure Komachi 2 knives make a delightful addition to any kitchen. Hang packaged.

Wasabi Black Series.

Daido 1K6 high-carbon stainless blade with brushed finish. Blade is embellished with the Japanese characters for "wasabi". Smooth black polypropylene handle blended with real bamboo powder and impregnated with an antibacterial agent to prevent growth of bacteria for super clean food preparation. Dishwasher safe. Boxed.
