

# FRIENDS' FOOTNOTES

MARCH 2023

## President's Letter:

Happy spring to all the members of "Friends of the Library." I think all of us are ready for warmer days and sunshine afternoons!

As you all know, canceling our February meeting was a hard decision, but on the side of caution, I think it was the right thing to do. I hope in the future we don't have to cross that bridge again.

Looking forward to our March 27th meeting at 1:00 pm and catching up on our calendar and business at hand. Our guest speaker is Jeff Sweeney who is the owner, along with his wife Teresa, of Strawberry Gardens Nursery. We welcome Jeff and know he will put us in the mood for spring planting. Remember to bring any neighbors and friends to this meeting, as I know some of us are not aware of this wonderful nursery in our own backyard. I am sure we all have questions to ask regarding our own gardens as well.

Have a great day and keep smiling...its contagious!! 

Sue Hedman, President
