

FRIENDS' FOOTNOTES

December 2020

President's Letter:

Hello to all our members of Friends of the Library!! As we enter into this Hello and MERRY CHRISTMAS to all our members!!! Wishing everyone a blessed Christmas and a HAPPY NEW YEAR!! Hope Santa is good to you, because surly you have all been so good this past year?!

I want to thank everyone who attended our Christmas pot luck last week. Lots of laughter and good cheers abound! The food was terrific, but on a funny note, no one brought a dessert!!! Now that's a first. We all thought that was an omen to save us all a few calories?

Thanks to Betsy Porter for the pretty centerpieces! Had enough to even donate one to the library.

On a more serious note, after talking to our board members we have decided to put on hold any further meetings until early spring. We will revisit the health issues in our community and make a decision then.

I will continue to send newsletters each month and keep you updated.

If the library is in need of any funding before we meet again, Ann will let me know, along with Carol Trimble, our Friends treasurer.

Stay safe and healthy and enjoy the holidays.

Remember to smile, it's contagious!!!

Sue Hedman, President

Library Manager's Report:

By Ann Pendleton

Hi Everyone!

Ms. Peggy had her famous GINGERBREAD PARTY. There were 34 people— 24 kids and 12 adults. It was a very fun and delicious event. There were some gingerbread flops, but they had some real architectural pieces too!

Our SEES Candy is gone!

This is something we did not expect. In fact, we were a little concerned that it might not sell very well with all the craziness and COVID. However, the candy just flew off the shelves, and unfortunately, we have just had to tell several people that we were out of candy starting today, the 17th. :- (
