

FRIENDS' FOOTNOTES

September 2020

President's Letter:

Hello to all our members of "Library Friends".

Hope everyone is doing well. Once again time has flown by and here we are feeling a little fall in the air! Personally my favorite time of year. First and foremost I want to thank everyone who took part in the Labor Day Friends Book Sale! It is a lot of work, setting up, arranging the books, working shifts during the sale and then taking everything down and storing all the books. Etc., whew!!!! But in the end, we see the reward in all the money we made to help support the library. The final totals will be announced at the September meeting. The Friends meeting, September 28, will be held as planned with a few minor changes. One of which is the meeting will be held outside in the community Ramada. It will start at 1:00 p.m. as usual. We are excited to have a guest speaker for this meeting, Delphia Strickland, Licensed Wildlife Rehabilitation Director. We are fortunate to have Delphia join us as we have had to reschedule her visit due to the pandemic more than once. Please remember to invite guests to our meeting, as this speaker will be most interesting. The business meeting will take place shortly after our refreshment break. I will be out of town during this time so Debbie Tamietti will be conducting the meeting' Thanks Debbie!

Enjoy these fall days and always remember to keep smiling, it's contagious!!
