Dojo Teams will be encouraged to bring forth their best representation and dress uniformly in their Team-themed attire. A select group of elite League Competitors will receive an honorable recognition for their incredible season performances throughout the year and receive an All League All Star Honor.

SHIGARAKI'S OATH: STRENGTH, WILL, RESPECT

An Honorary League Competitor & League Official will have the bestowed privilege for reciting the Athletic Competitive Oath & Officials Oath of Fairness.

THE TITAN'S CALL: LET THE BATTLES BEGIN!

Like the Titans (Attack on Titan) breaching the walls, this marks the official unleashing of the battles - the arena opens, and all limits are off. A revered honoree will make the Commencement Announcement and open the League Finals XXI.

"Naruto's Final Bow: Journey of a Champion" Closing Ceremonies

The Sage Of Six Paths Honor Circle

The Hokage's Band: Rings Of The Chosen

All League Finals XXI Seedings will be set on **Saturday, November 1st, 2025**. Please submit and report any Point Discrepancies or manual point submissions by this date. All points will be finalized and posted on the League Website: www.TheLeagueMA.com

Competitors who participated in the 2025 League Regular Season Events can view their seedings in each division on the website under the 'Ratings' Link.

The 2025 League Finals XXI will feature athletes from different Conferences across the Americas. The League established Conferenes to its 2025 Season Schedule including: All 50 of The United States, Canada, Mexico, Central America and South America.

WE WELCOME ALL COMPETITORS THAT COMPETE IN OTHER CIRCUITS

Kata Divisions will feature the "Seed Preference" element, while there will be "Double Elimination" for seeded players in Point Sparring Divisions.

The Order of Performance in Kata Divisions in the Finals will be determined by Seed Preference. This means the #1 seed in each Kata Division will have 1st choice as far as when they perform their kata (perform first, second, third, etc.). After, the #2 seed chooses their performance position, followed by the #3 seed, etc..

Wildcard Seeds in katas will be randomly placed in the remaining positions by the Ring Coordinator.

In Point Sparring, all seeded players receive Double Elimination status. This means they must lose twice before being officially eliminated from the Division.

The "Wildcard" option will be at play in Point Sparring as well. A competitor who falls below the Finals Qualifying Requirement will enter the LF XXI as a Wildcard Seed. A Wildcard Seed has the lowest possible seed in each division. Wildcards are eligible to compete for a Divisional Title. They only receive INGLE ELIMINATION status throughout all rounds in sparring.

First Timer's Sparring and First Timer's Kata is a No-Seeded Random Drawing Division.

JUNIOR FIRST TIMER TITLE

There is no better setting for a First Timer Experience than the LEAGUE FINALS to kickoff your young child's Sport Martial Arts career. This is a fantastic opportunity for inexperienced sport martial artists to partake in a championship environment.

If you or your young athlete are perhaps skeptical or timid about participation in a martial arts tournament, register in our specialized First timer's division where future superstars can ease their way into the mainstream "regular divisions" with this pleasing competition experience.

The First timer's division is designed to be a division where inexperienced or martial artists new to the LEAGUE can compete in a non-threatening environment.

In First Timer's Katas, the First timer athlete runs through the same routine as a "regular division" athlete, including performing their kata and receiving scores from each judge.

In First timer sparring, athletes compete with other new comers for a one round sparring match. Contact is controlled to a minimum.

It is a tremendous way for Rookies to build up their CONFIDENCE with so much positive support by judges and the onlooking crowd. Athletes also get used to the overall tournament feel and environment and gain valuable experience performing in front of a crowd.

JUNIOR FLAG SPARRING TITLE COMPETITION

Flag Sparring is designed for juniors who are being introduced to the open competition scene. It is a fantastic way to get junior martial artists on the competition Floor executing characteristics necessary to transition into point combat sparring.

In Flag Sparring competitors learn how to maintain competitiveness, close distance, develop timing, generate aggressiveness, elude and improve footwork, block and counterattack, and countless other characteristics that make up a skillful point Fighter.

Sign your Junior Martial Artists up and have them join the Finals Competition in this hybrid competition that is Skill Building, Fun, and Competitive!! Remember, winners will win a World League Finals Title!!!
