

WALK BEFORE ME

Walk Before Me is the inspiring true story of a mother and daughter's courageous walk of faith and the gift of divine providence.

After nearly two decades as a successful executive based in London, Caroline felt God's call. While on holiday at a quaint seaside village in Brittany, France, she receives a simple message instructing her to take a leap of faith. Guided by the Holy Spirit to trust and leave everything behind, Caroline and her young daughter set off on a spiritual journey that will test their faith and transform their lives forever.
