2.) Director Report:

BUILDING MAINTENANCE
The second phase of the library maintenance is complete. The railing was replaced and painted by the emergency exit. The railing on the ramps has been painted and the library sign will receive a touch up.

SECURITY: The alarm is being set off regularly when we are closed on Sunday. It was set off 3 times on the 6th. The front door is not set in the frame correctly due to frequent yanking on the door. I will ask Montz Construction to give us an estimate. They did the emergency door railing. A patron threatened to shoot me in the face. He was talking to Nillie and he was unhappy about having to chain up his bike on the bike rack and not the ramp railing. A regular homeless patron was banned due to inappropriate web searching. He is a regular, his name is Al. I made a referral to adult protective services. He is vulnerable to theft and his dementia seems to be getting worse.

SUMMER ACTIVITIES:
We had a large turn out for the summer reading program. At least 30 reading logs have been completed with one young patron reading over 2000 hours.

LUNCH AT THE LIBRARY: Is now complete we visited nearly all the lunch sites and gave away a total of 4,500 books to children and families. There is winter break funding available. I will be applying so that we can give away books at the Thanksgiving meal and Santa’s Workshop and the food bank.

As well as any other community activity we can attend. We will be attending the Tolowa Dii Nii day in September. We have been giving away bilingual Spanish and Hmong books and we will be expanding to Cantonese, Mandarin and Korean.

STAFFING: All open positions have been filled! I hired all the new people through Indeed.

NEW PROGRAMS: We will be starting our NIFTY NASA Inspires Futures for Tomorrow’s Youth in September. We will be learning about parachutes and balloons. The children will build a parachute and a hovercraft with a balloon.

Zip book will be funded for another year. We were just awarded $10,995.

SMITH RIVER BRANCH
New staff Lindsay has joined the team.

Someone was car camping in the parking lot to use the internet when the library was closed. We started turning the internet off at closing. We received an unhappy note from the car camper and when Lindsay was leaving the library someone from the apartment complex yelled “turn the WIFI on”. Someone that lives close to the library was using the internet after hours.
