

Del Norte County Library District

Happy February! In this newsletter, we are launching our *Library Love* campaign by spotlighting the words of one of our faithful patrons, Melissa Endert. It is feedback like this that makes our work meaningful. If you would like to contribute to our *Library Love* campaign by sharing your story with us, **send us a message**; we would love to hear from you.

From my first visit after moving here 6 years ago I knew your library was going to be a different experience for my family. From Ms. Hilary including my child with special needs into her reading time with his younger siblings (he was 7) to Ms. Nillie starting a Lego club where children could come alive and express themselves. This library is the most kid friendly and accepting place I have ever been. As soon as you step in, you feel love and loved. I miss my children feeling okay to be kids and explore with wonder and joy the shelves and shelves of books. I have never heard a child be told to 'Shhhhhhhh!', but rather have seen so much patience and understanding. I look forward to the day when you can open your doors again and brighten the worlds of the families that you have deeply impacted in this community.

Thank you

Melissa Endert
