

### The Clothesline Project

During the month of April, The North Coast Rape Crisis Team is gracing us with a display of their handmade tee shirts. These amazing shirts have been created by people who have survived sexual violence, domestic/intimate partner violence, and/or by the loved ones of those who have been murdered. They hang together in Clothesline displays to...

1. Bear witness to survivors and honor those who did not survive.
2. Support the healing process of survivors, including those who have lost someone they love to violence.
3. Educate, document, and raise society's awareness of the extent of the problem of sexual and domestic violence.

We invite you to come visit us for [Curbside Services](#) to see this display. If you would like to make a T-shirt or find out more information about the project, please call the North Coast Rape Crisis Team at (707) 465-6961.
