The Del Norte County Library had a successful Summer Reading Program this past July. We had 105 children and 26 adults register to participate in the program. Our youngest registrant was only 6 months old while we also had six 1 year olds participate. Together, the children read for 43,473 minutes while the adults collectively read for 39,650 minutes for a combined total of **83,123 minutes!**

We are happy to share that all of our participants received a gift bag while we also held prize drawings of various items to those who participated. Our grand prize was a family pass to the new Redwood Canopy Trail at Trees of Mystery.

Looking ahead, our goal for our 2021 Summer Reading Program is to reach 100,000 minutes!
