Employment Opportunities

As we phase into reopening our branches, we are in need of two Relief Workers who can join our friendly staff and come in to work on an as-needed basis. Library experience is not required but candidates will have a demonstrated ability to be trained and a willingness to accept and respond to direction. For an application and further details, please [visit us here and submit your application today](#). We look forward to hearing from you!

Calling all volunteers!

If you are not seeking employment but just want to give back to the community, volunteering may be the path for you. We love our volunteers because they help make our Library and our community a stronger place. There are various areas we use volunteers, from our Del Norte Reads program, to special events, to organizing books.

If you are interested in sharing your gifts and talents with us through volunteering, please submit a [volunteer application](#) and we will get back to you shortly.
