

2019 Town Class National Regatta

August 16, 17, 18
Touisset Point, RI

The National Regatta Committee, and all Touisset residents welcome you to the 2019 Nationals and Touisset Point. We hope to provide you with some interesting, fun and competitive sailing on Mount Hope Bay. And, as always, we look forward to reestablishing our Townie friendships, and acquainting you with our Touisset friends and neighbors at the social functions.

Please do not hesitate to ask for anything that we can provide to make your visit to our community an enjoyable one. And, as you and your guests walk the area, please feel free to stop, introduce yourselves, and chat with the local folk. For the most part, we are a friendly bunch who enjoy showing off our little community to visitors.
