Grower

As a family business we are mindful of our future generations. We anticipate that the actions we take today will in turn create a more sustainable platform for our vines to continue to provide us with the fruit that we, and perhaps our children, can turn into exemplary wine for years to come.

Vineyards

Hyde Park Vineyard, Grampions.

Winery Philosophy

This range of classic French varieties is unashamedly designed for youthful drinking and is part of the family's quest to produce premium but affordable wines from grapes grown in several cool climate regions of Victoria, including the Mornington Peninsula.

Winemaker

Rollo Crittenden

Vinification

The hand-harvested grapes were destemmed to open fermenters where the fermentation process was allowed to commence spontaneously with naturally occurring yeast. The ferment was allowed to peak at a temperature of 32 degrees centigrade and was both hand plunged and pumped over regularly to extract colour, texture and flavor. A short maceration on the skins was allowed post ferment before the wine was pressed to a mixture of second and third use French oak barriques for maturation (four months). It remained in barrel, with occasional rackings, prior to being assembled for filtration and bottling.

Tasting Notes

A wine of vibrant colour with berry fruits and spice on the nose. Cherries, pepper and liquorice on the palate. Excellent with barbecued spareribs, kangaroo burger, steak with pepper sauce.
