Grower

As a family business we are mindful of our future generations. We anticipate that the actions we take today will in turn create a more sustainable platform for our vines to continue to provide us with the fruit that we, and perhaps our children, can turn into exemplary wine for years to come.

Vineyards

King Valley.

Winery Philosophy

The fruit for our classic Spanish styles is sourced from premium Victorian cool climate regions. Los Hermanos means ‘the siblings’ and what more appropriate way to celebrate Rollo and Zoe’s influence in the family business. We realise it’s a bit indulgent, but we have always loved Spain, especially its food and wine.

Winemaker

Rollo Crittenden

Vinification

The grapes were hand harvested and destemmed to open fermenters where the fermentation process was allowed to commence spontaneously with indigenous yeast. In an effort to better express clean fruit characters the ferments were pumped over aeratively once per day and hand plunged twice a day. Once dry, the grapes were pressed to tank and then racked to older oak barriques and hogs head barrels for 5 months of maturation. The resulting wine was then assembled in tank and lightly filtered prior to bottling.

Tasting Notes

Characters of plums, cherries and spice fill the nose. A firm dry palate of blackberries and dark chocolate on the palate. Goes well with beef burritos/tacos, lasagna, cajun barbecued chicken, lamb tagine.
