Winery Philosophy

We believe that we are the custodians of this land, and that we must tread lightly in order to minimise the impact we have on it. We strive to gain a sense of timelessness (allow our vineyards to grow old) and tell stories in our wines, but if we want to achieve that, we need one eye on the future. In everything we do, we seek longevity and sustainability.

Winemaker

Roelof Lotriet.

Vinification

The wine was pressed cold and the only the free run juice was used. Fermented and matured in stainless steel tanks for 8 months. A light fining and filtration was done before bottling.

Tasting Notes

Vibrant aromas of litchi, white Turkish delight, white juice pear and rose petals on the nose. The palate is brought to life an abundance of fresh fruit flavours ranging from litchi to orange skins, with a touch of sweet honey comb underpinned by a zesty acidity that lingers in the mouth well after the first sip.
