Vineyards

Winery Philosophy

We believe that we are the custodians of this land, and that we must tread lightly in order to minimise the impact we have on it. We strive to gain a sense of timelessness (allow our vineyards to grow old) and tell stories in our wines, but if we want to achieve that, we need one eye on the future. In everything we do, we seek longevity and sustainability.

Winemaker

Vinification

The grapes were handpicked, de-stemmed, crushed and gently pressed. The juice was cold-fermented in concrete and stainless steel tanks with the aid of selected yeast strains. The wine was kept on the lees for a couple of months to aid in the mouth-feel and complexity thereof.

Tasting Notes

Packed with aromas of white and yellow peaches, guava and pineapple. A very crisp and zesty wine that is a great stylistic alternative to Sauvignon Blanc. The fresh acidity and abundance of clean fruit flavours lead to a well balanced palate. Green melon flavours round off the lingering finish.
