DORIAC

IGP SAINT GUILHEM LE DÉSERT / FONJOYA DELTA

Steeped in history and classified as a Unesco world heritage site, Saint- Guilhem-le-Désert is a jewel of Roman art. Its vast vineyards nestle in the foothills of the Séranne and Mont Saint-Baudille, where they cohabit with the olive trees. The first plots of the appellation are rooted at the foot of the Fonjoya cellar.

The Cuvée Les Embruns honours the proximity of our wines to the Mediterranean sea. The favourable influence of the climate on our vines enables us to develop gourmand and convivial wines. Discover Doriac, a lively wine whose aromas brimming with sunshine won't leave you indifferent !
