2020

SOIL TYPE
Clay and schist

PH
3.62

ALCOHOL CONTENT
14.8

TOTAL ACIDITY
5.6

REDUCING SUGARS
0.8

TASTING NOTES
Intense notes of black fruit and spices, with evident floral nuances. Fresh and dried plums, excellent acidity and structure. Rich and silky tannins. Pleasant and very long finish with notes of chocolate and vanilla.

VINIFICATION
Alicante Bouschet is harvested as late as possible in order to obtain the richness of the fruit and the ripe and powerful tannins that are characteristic of the wines made with this grape variety in Alto Alentejo. The prolonged maceration followed by 14 months in barrels brings out all the richness of the grape variety.

PAIRING
Lamb chops, veal, beef stew.
