- **Cancellations not made 24 hours prior to appointment are subject to a $40.00 fee; A no-show or cancellation within 2 hours of your scheduled time will be subject to a $100.00 charge.** _____ (initials)
- I understand that I am responsible for checking my own insurance benefits before receiving treatment. And that I am ultimately responsible for my bill if insurance or other entity denies payment. _____ (initials)
- If I so choose, Cutting Edge Physical Therapy, LLC will bill my insurance as a courtesy. We encourage you to follow up with your insurance company on all of your claims to ensure timely processing and avoid any other delays.
- It is my responsibility to provide Cutting Edge Physical Therapy, LLC with complete and accurate insurance information in order for us to bill, as well as any other special requirements by the insurance company.
- If my insurance changes at any time, it is my responsibility to inform Cutting Edge Physical Therapy, LLC and provide new insurance information, or I will be responsible for my balance.
- I understand that **copays will be expected at the time of service**.
- I agree to pay reasonable finance charges, attorney fees and any additional fees if my account becomes delinquent and if it becomes necessary to turn my account over to a collection agency.
- If a patient is 18 years of age or older, they must sign a "Release Authorization Form" if they wish for anyone to have any access to their medical records, billing records, or other information

Referral (Prescription):
A physician's referral for physical therapy treatment is required by some insurance companies for reimbursement. Physical therapy services can be rendered without a referral but cash payment will be required if your insurance carrier does not reimburse without a referral.

Workers' Compensation:
If Workers' Compensation denies coverage of your physical therapy treatments for any reason, you may determine whether you would like us to bill your private insurance or bill you directly for services.

Lien Patients:
If you are a patient that is on a lien, please stay in contact with your attorney so that they know the progress of your rehabilitation. The patient must also provide medical insurance information, in the case that the lien does not pay due to objections. In that case, you may determine whether you would like us to bill your private insurance or bill you directly for services.

Secondary Insurance Billing:
We will bill secondary insurance once the primary carrier has responded. If the primary insurance has made payment directly to the patient, we must have a copy of the Explanation of Benefits in order to bill the secondary carrier. In the event that the primary carrier has not responded to our claim, we will not take action to collect from the secondary carrier on the patient's behalf. In the event that industrial or auto insurance exhausts or refuses to pay, the patient will be given the opportunity to decide whether to authorize Cutting Edge Physical Therapy to bill their personal health insurance, or bill them directly.

Patient Balances Not Paid Within 30 Days:
We allow 30 days for patients to pay their patient balance in full. All accounts not paid by 30 days will be assessed a late fee of 1.5% interest on the balance. Accounts not paid in full by 90 days will be assessed a 50% handling fee to the current balance and then turned over to a collection agency. The account balance is the responsibility of the patient or responsible party whether the insurance pays or not.

Patients Without Insurance:
If the patient does not have insurance, payment for services rendered will be expected at the time of service.

Payment Information

In order to make physical therapy services affordable for our valued patients, Cutting Edge Physical Therapy offers a discounted self-pay rate of $150.00 per initial evaluation and $125.00 per following dates of service for all providers excluding Cheryl Farnsworth, MPT. Ms. Farnsworth offers a self-pay rate of $200 per initial evaluation and $150.00 per following dates of service. **All payments must be paid prior to receiving treatment.** If you choose this option, your insurance will not be billed for your treatment.

If you choose to have your insurance billed for your treatment, your insurance may leave you responsible for an amount greater than our discounted self-pay rate. Some insurance plans will apply charges for physical therapy services to a patient's deductible, co-pay, or co-insurance. **Self-pay discounts are not available after a patient chooses to have Cutting Edge Physical Therapy submit claims to their insurance.**

Individual insurance plans vary greatly; therefore, it is strongly recommended that you discuss your particular plan benefits with your insurance carrier. Our office will contact your insurance to verify that you have active coverage; however, we are unable to provide patients with specific plan details and costs.

I, _____ have been notified that it is my responsibility to know and understand my insurance plan details, and discuss those details with my insurance carrier if I have any questions regarding my plan benefits.
