KATIE BOCOCK TEAM
OF COMPASS

The Katie Bocock Team of Compass is a full-service real estate team serving residential real estate in Washington DC, and its Maryland suburbs including Takoma Park, Silver Spring, Chevy Chase, Bethesda, Kensington, Potomac, Rockville, College Park and Hyattsville.

We provide exceptional value and generate unparalleled client appreciation by combining deep local expertise, personalized client care, and the cutting-edge tools and resources of Compass to deliver impactful results in and around our nation's capital.

Our specialties include first-time buyers, empty nesters, as well as those looking to relocate or downsize.

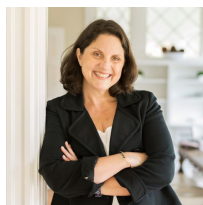

We stand out in the Washington DC area, even within the network of Compass's market-leading agents, access to off-market listings, and technology tools (including the industry's leading agent/ client collaboration portal). Other reasons delighted clients appreciate the Katie Bocock Team:

- **We understand the local market as well as anyone.** As a team of lifelong local residents, we appreciate the DC area, its neighborhoods and its quirks as only lifelong residents can.
- **We value relationships over transactions.** We focus on service, transparency, and collaboration to build trust with, and prosperity for, our clients. We win business through referrals, not paid leads.
- **We prefer to focus on quality over quantity.** By choosing to work with a select few, we ensure each client receives the dedicated attention and tailored strategies needed to achieve their goals.
