Rick Renner - The words "more than" are derived from the Greek word super, which literally means over, above, and beyond. It depicts something that is way beyond measure. It carries the idea of superiority - something that is utmost, paramount, foremost, first-rate, first-class, and top notch; greater, higher, and better than; superior to; preeminent, dominant, and incomparable; more than. A match for; unsurpassed, unequalled, and unrivaled by any person or thing.
