### Benefits of joining a Whisky Club

Whisky clubs offer a plethora of benefits for whisky enthusiasts. One of the primary advantages is the opportunity to taste a wide range of whiskies from different regions and distilleries. Whisky clubs often curate exclusive tastings and events where members can sample rare and limited-edition whiskies that may not be readily available elsewhere. Members can enjoy society drams and discounts at partner bars worldwide, access virtual and in-person tastings, and receive expert advice on various whiskies from the Dram-cierge team.

Joining a local whisky club offers a myriad of benefits for whisky enthusiasts seeking to deepen their knowledge, expand their palates, and connect with a vibrant community of like-minded individuals. From exclusive tastings and events to networking opportunities and educational resources, whisky clubs provide a rich and immersive experience for members. By becoming part of a whisky club, enthusiasts can embark on a journey of exploration, discovery, and camaraderie within the world of whisky.

### Try before you buy!

I am sure that you have visited a store, looking for a specific scotch you have heard or read about. You find it, but next comes the sticker shock. Since you are already there, you look to the left and the right to find a more affordable bottle and you eventually settle for something you do not actually want. To prevent this, try before you buy! There are plenty of bartenders who want to share their knowledge and passion through recommendations and sometimes by giving you a mini pour at no charge. Find out what you like and then go to the store.

### Exclusive access and often great discounts

Another compelling reason to join a whisky club is the opportunity to access exclusive releases and discounts on whisky purchases. Many clubs collaborate with distilleries and retailers to offer members early access to limited-edition bottlings, special releases, and discounted prices on a wide selection of whiskies. For example, the Whisky Club of Big Canoe, located north of Atlanta, provides members with monthly whisky tastings. Last year, the club introduced whiskies from Australia, Ireland, Japan, rare releases, and even hosted a tequila tasting with a industry expert from Mexico. Twice-yearly the club provides access to seasonal, limited releases before, allowing their 75 members to expand their whisky collection with unique offerings.

The club has grown to 75 members in just twelve months, and recently started a wait list.

### The Scotch World tastings events in 2024

The first whisky event in 2024 will be another The Macallan tasting in February. We will host a 'Blind Tasting' program with the Macallan 12 Year Double Cask, Macallan 12 Year Sherry Oak, and Macallan 15 Double Cask. We will also introduce interesting food and dessert pairings to over 40 guests.

### In conclusion – Enjoy every drop of the 'Water of Life'

I hope you enjoyed the March 2024 Newsletter and that you will continue your journey in the world of scotch, whisk(e)y, and spirits. Please share your experience with others, help them enjoy it, and tell people that it is ok to drink whatever they want as long as they like it. **Always Drink Responsibly!**

“The world of whisky is genuinely fascinating. Every pour and drop of the 'Water of Life' tells a new and different story. The location and moment will impact your experience. The whisky in your glass will create a personal story for the nose, palate, and finish.

Enjoy your journey!”
