Stillhouse® Whiskey is distilled in traditional copper stills then charcoal filtered for superior quality and taste, allowing the natural sweetness of the corn to shine throughout the mellow flavor and smooth finish that make this a truly versatile spirit. Stillhouse® whiskey is also available in Apple Crisp, Peach Tea and Spiced Cherry. All flavors are natural and gluten free. In 2018, Stillhouse® introduced Stillhouse® Black Bourbon and in 2019, the brand took the biggest spirits category head on with the debut of Stillhouse® Classic Vodka.
