Purloined Properties
1. Collins Beach: Arthur Swift sold Collins a beach front lot in 1933 without the beach. 20x75' beach quit-claimed to Collins in 1963.
2. Joan Woods: Frontage of 564' on Cottage lane reduced to 488'.
3. Kent property beach and back border reduced by 10' and 50', respectively.
4. David Stevens property reduced by 130' behind Swift Cottages. Swifts may also have absorbed Stevens lake frontage.
5. Shea line changed from 2 to one bearing, thus absorbing a small triangle of Shea property.
